

# PLACE OF DEATH FOR PEOPLE WITH SCHIZOPHRENIA AND BIPOLAR DISORDER

## ZOOM WEBINAR

Thursday 3 July, 7.30 – 8.30am

**BREAKFAST  
SESSION**

**RUTH CUNNINGHAM** MBCHB MPH PhD FNZCPHM

*Research Associate Professor, Department of Public Health,  
University of Otago Wellington AND Public Health Physician,  
Population Health and Outcomes, Te Whatu Ora*

Ruth is a public health physician and epidemiologist who works in population mental health in academic and public service settings. Ruth led the HRC funded Tupuanuku research study, which focused on physical health care quality and experiences of discrimination in health services for people with mental health and substance use conditions.

This presentation will present results from the Tupuanuku study, including results of a linked data analysis of place of death for people with diagnoses of schizophrenia and bipolar disorder in Aotearoa. It will provide insights into end-of-life care and inequality, and discuss the implications for health care providers.
