

YOU ARE INVITED TO A
NZUNS **ZOOM WEBINAR**

New Zealand
Urological Nurses
Society Inc.

Promoting excellence in Urology Nursing

GENERAL PAEDIATRIC UROLOGY WITH A FOCUS ON HYPOSPADIAS

▶ **Monday 18 August,**
7:00pm – 8:30pm

LIAM WILSON

*Urologist, Bay Urology and Visiting Adult and
Paediatric Urologist at Taranaki Base Hospital*

Join us for an informative evening webinar where Liam Wilson will present on General paediatric urology and then specifically on how to assess and treat hypospadias.

He trained in Auckland, Christchurch and Tauranga, and then moved to London where he completed fellowships in Uro-oncology and Endourology as well as Paediatric Urology at Great Ormond Street Hospital.

Liam has previously been Honorary Senior Lecturer at the Bay of Plenty Clinical School, Head of Senior Medical Staff Committee at Tauranga Hospital, Head of Department at Venturo, and Managing Partner of Promed Urology. He has multiple publications, and has been a reviewer for the British Journal of Urology, European Urology, and the Journal of Endourology.

Liam trained in Pediatric Urology in Hawke's Bay, Christchurch, Tauranga and Starship Hospitals, and then completed a Fellowship at Great Ormond St, London.
