

YOU'RE INVITED TO A  
**ZOOM WEBINAR**

# DRUG TESTING OF HOSPITAL STAFF - SHOULD WE?

**Tuesday 11 February, 7pm - 8pm**

**PRESENTER:**  
**DAWN EASTWOOD**

*Anaesthetic Technician,  
Southern Cross Christchurch Hospital*

Dawn trained as an ODP in England over 20 years ago. She moved to New Zealand with her Nurse husband Richard in 2006. After working at Christchurch Public Hospital for several years Dawn moved over to Southern Cross Christchurch where she remains employed as an Anaesthetic Technician.

Dawn has been team member and Chairperson of the Emergency Scenario Training Group for many years. She also co-organises the Southern Cross Hospital's Christmas carol concert and currently holds the title of "Most Christmassy socks"!

Content of session:

- Is there a drug problem in New Zealand hospitals
- What drug tests are available
- Considerations for implementing drug testing
- What happens during a random drug test
- What happens in other countries
