

YOU'RE INVITED TO A **ZOOM WEBINAR**

COVID-19 VACCINE HESITANCY IN RURAL COMMUNITIES

**TUESDAY 30TH NOVEMBER
7:00PM - 8:00PM**

The value of vaccination and how to have open, respectful and compassionate conversations with people who have a particular vaccine perspective.

MODERATOR: CATHY BEAZLEY

Nurse Practitioner - Hokianga

PANEL DISCUSSION ON:

- Practical advice to engage with vaccine-hesitant individuals in rural communities (those with a different world view, waiting to see, anxiety/phobias, those with lack of time/access, bad previous health experience, faith based)
- Value of having high vaccine rates in rural communities as a whole
- How to reduce barriers to accessing vaccination (both physical and personal)
- Vaccine status and rural employment
- Safety of the vaccine
