

WORKPLACE WELLBEING FOR EMERGENCY MEDICINE

OUR TEAM IS OUR HEART

Thursday 12 June, 7.00 – 8.00pm

DR JO COLE

*Workforce Wellbeing Programme Lead NZ,
Health Roundtable*

Our teams are the heart of all that we do in healthcare and the wellbeing of ourselves and our teams is integral to the wellbeing of our patients.

This webinar will focus on a practical approach to key aspects of workplace wellbeing for busy emergency medicine teams.

Jo is an emergency medicine physician from Tauranga. She is passionate about clinician wellbeing and believes that people are the heart of all that we do in healthcare. She currently splits her time between her clinical role in emergency medicine and the Health Roundtable where she is the Workforce Wellbeing Programme Lead for New Zealand.
